April PNPHC Meeting

Marion was absent so Lori Bentley stepped in as acting VP.

Before our regular membership meeting there was a show committee meeting at 6pm to talk about our club show:

- Adding Ranch Horse Pleasure for open, amateur and solid paint bred.
- All 4 judges have been booked –Kathryn Boggetta

Sherry Haynes

Jim Edwards

Jeannie Young

- Jobs have been opened for signing up to help. We cannot run the show without all the wonderful help.

General membership meeting at 7pm:

Committees:

BBQ - Suggested to be held on July 11th and will confirm by next meeting.

Breed Show – Lola would like to buy a scooter to help her at the show, being the show manager she needs something to help with all the running around.

Hi Point – Need more people signed up for year-end high point, remember that you don't have to go to breed shows to win awards, you can also sign up for going to local open shows and logging in your trail riding hours!

Hospitality – Tabitha is healing nicely from a broken ankle and was sent a great get well card. Sheila requested that during or after the world show that she receives some news so she can send out cards.

Website - The new website looks great, we talked about ways to get it noticed easier when searching on google for the general public looking into paint clubs.

Have you seen the new club web site? Please take a tour and utilize its many features at: pnphc.com

*The Home page will always have the next meeting time and place for convenience.

*The Club and Contact pages just tell a little about us with easy links to officer's emails. If you have pictures you would like added to our slide show just email them to me. I can also scan older photos if needed.

*The Calendar has live links to the appropriate web sites for information on the events. I have found the page especially helpful.

*Our Winners not only showcases our clubs year end winners but also has links to past winners back to 2006 plus sign up forms and high point rules.

*The Breed Show has it's own page with links to all premium forms and the show manager. Patterns will be posted close to the show and other show activities can be highlighted. Click anywhere on the judges names to see their profiles.

*Our Sponsors will have their own page where we can post their ad or business card. Their ad will also be linked to their web site or Facebook page. Show prospective sponsors this page so they can see what they get. Looks great on mobile too.

*Under the Information tab you will find links to all the forms you might need plus the archives for several years worth of newsletters. There is also a page for Announcements so let me know of show wins, births, weddings, deaths, moves, or any other earth shaking happenings.

* For Sale: If you have horses or horse related items for sale, send me a picture and information and I will post it here. Please let me know if it sells or is taken of the market so it can be removed.

*The Links have the most used association sites as well a member links. If you are a member and have a web site, let me know so I can add you

Lola Whitford: webmaster, SQ Graphic Designs, sqpaints@frontier.com

Old business – on the show premium form the one day fee for stalls were different on the form that was passed out at the last meeting. It has been fixed.

Next meeting is May 16th at the Arlington Denny's. Dinner at 6pm and meeting at 7pm

What's Happening?

➡ Tabitha Whitford dislocated and fractured her ankle getting off a horse on April 3rd... seriously. She is healing well but cannot walk until the end of May. "I am doing exactly what the doctor says because I want to get back riding as soon as I can"

⬅ Skagit News - Hannah Miller made it to Washington High School Equestrian Team (WASHET) State competition in Canadian flags and is first alternate for two barrel flags with her horse Pandas Codee Ann "Codee", Sally Culbertson also made it to state in drill with "Codee"

➡ **EHV-1 UPDATE:** Two additional Oregon horses have developed neurologic signs of equine herpesvirus-1 (EHV-1), bringing the total number of horses showing neurologic signs to four, the Oregon Department of Agriculture (ODA) reported May 7.

In addition, another five horses exposed to EHV-1 have developed fevers but have not showed neurologic signs. All horses involved are under active observation by owners and their veterinarians. Eight farms are currently under quarantine—six in Marion County and two in Polk County
